

DOMINUS GRAY

CYBERSECURITY CONSULTING

KEY BUSINESS AREAS

CYBERSECURITY WORKFORCE DEVELOPMENT APPRENTICESHIP PROGRAM

In partnership with the Non-Profit, Diversity Cyber Council Inc., Dominus Gray is serving as a strategic employer in developing a Cyber Security Workforce Development Apprenticeship Program sponsored by the US Department of Labor. The program is designed to administer comprehensive cyber related curriculum and paid on the job training to underrepresented minorities. The program’s goal is to establish a talent pipeline to proactively improve the readiness and diversity of the cybersecurity workforce.

DIVERSIFIED CYBERSECURITY & IT STAFFING

Dominus Gray specializes in the recruitment, retention, and training of diverse talent to enhance employers strategic D&I initiatives and business goals. We foster relationships with veterans, minorities, and the disabled community to support individual’s career path to secure access to opportunity to the cybersecurity and IT workforce.
